

WIND COVERAGE DISCLAIMER

WAIVER FOR PLACEMENT OF INSURANCE WITHOUT WIND COVERAGE.

Most hurricane damages are caused by the peril of wind. Roe Insurance, Inc. and Greg Roe Insurance, Inc. recommend that all our clients purchase coverage for the peril of wind. By electing not to purchase this important coverage you will not have coverage for damages caused by a hurricane, tornado or windstorm.

This waiver acknowledges that Roe Insurance, Inc. and/or Greg Roe Insurance, Inc. has explained to me or my representative that this policy does not include any wind coverage, and that we are electing not to purchase coverage for the peril of wind.

Therefore, by my directive Roe Insurance, Inc. has not included wind coverage in my policies. I expressly waive any and all rights that I may have against Roe Insurance, Inc. and Greg Roe Insurance, Inc. and hold harmless Roe Insurance, Inc., Greg Roe Insurance, Inc. and its agents, employees, officers and directors for all damages, direct or indirect, arising out of the failure to purchase wind coverage. This is acceptable to me and no further action is required of Roe Insurance, Inc. and/or Greg Roe Insurance, Inc.
